

Greetings from the President's coach,

A mere 6 years ago I decided to join the ROG board to see if I could help a phenomenal organization. I have had the privilege to work with so many devoted and caring people. As I step down as your president, I want to let you know you are in great hands with the new upcoming board.

As many of you know, there are many changes going on with the RV industry. With your support, your board is diligently working with Redwood to keep your concerns in front of them. With our membership still at 250 plus coaches and our Facebook page highly active I do believe we can make a difference for the better.

As the 2026 National approaches, we have the annual AGM coming. Please review all the new members for the board and the agenda. You can review electronically at [redwoodrvowners.com](http://redwoodrvowners.com) and vote. We have some new and exciting ideas in the works for our members.

Again, I want to thank everyone for the opportunity to serve as your President and looking forward to seeing many of you at the Rally in Elkhart.  
Safe travels

Dennis Harmening  
President ROG
