COMMENTS:	Interstate Batteries' new, best in class GC2-HCL-UT 6-volt golf cart battery has been engineered with one thing in mind: longevity. Our improved technology means fewer battery replacements and longer life so you can focus on what matters. Our improved technology means fewer battery replacements and longer life so you can focus on what matters.	The Interstate Batteries AGC2N 6-volt golf car battery is a high performance, maintenance free absorbed glass mat battery designed for deep cycle applications. Its sealed design means no acid leaks and no acid clean up.	Interstate Batteries' 2300 6-volt golf car battery is ideal for applications where more power and reserve capacity is necessary.
